PERSONAL

Messrs. T. P. Ebert, J. H. Hart, C. Arobic and H. J. Murrish, who drove down to Tonopah last week ,returned MISS MARJORIE KEY is home to Lovelock Tuesday bringing glow-ing reports of the new Divide mining from attending school at Pacific district. All of the party predict that the excitement is just starting and REN HARTWICK a husiness man from San Diego, arrived by auto last that the camp has a wonderful fu-

When interviewed, Mr. Hart, who H. H. HUNTER, Jr., a mining enis himself a mining man of considerable note, said: "It is hardly glueer from San Francisco, was E. H. MEAD, secretary of the Cash Boy, Gold Wedge and Reno Divide, ight to speak of the Divide as a boom camp. In a way it is a boom camp, but, unlike many others, it has no 'boomerang.' It is legitimate. Every dollar that is raised is going JOHN F. KUNZ, attorney of Reno who has extensive interests on the into honest development and, mark my words, it won't be long until the world will hear of some phenomenal DR. ASHLEY, formerly of Goldfield and recently living at Palo Alto, strikes. The camp itself is an old one—the Tonopah Divide mine has arrived this morning from the coast. CHARLES F. PUGH, a well known been worked for nearly. 20 years mining man from Oatman, returned The strange thing about that mine is to Tonopah today by auto after a he fact that in the early days leasers worked small stringers near the sur face for gold. A short time ago the owners decided to go to depth and G. P. HERRICK, district commercial agent of the Western Union, is spending a few days at the local ofsee if the gold carried down. In crosscutting at a depth of about 160 feet a blind ledge of silver was struck that, according to the best re-RICHARD FINN, superintendent of

gest, mine ever discovered in the state, and we all know that Nevada * had some big mines. *
"As soon as II was known that the likes running through the country arry silver, work was started in nill force, arrived this morning from amerous places with results that San Francisco where he has been soave caused the present excitement. VAN HALBERG was a passenger Divide is a one-mine camp. There this morning for the old family home are several producers, among which at Kingston, Md., where he goes to are the Hasbrouck, the Brougher, the W. L. FRASER, president of the vide, the Gold Zone and the Hen-Bullion Divide Mining company, left nessy, while several others have ore

for Denver this morning and may in sight awaiting development.

"More recent development Continue on to New York.

J. K. TURNER, consulting engineer for the Alto and East Divide companies, passed through Tonopan to near the flat will encounter the ore more quickly than those on the hills. day en route to Reno.

CHARLES A NELSON, chief in spector of the T & G railroad in 1908, accompanied by his wife, ar tived from Fort Seward, Culifornia, W S PHILLIPS, member of the assembly from Esmeralda county, in the way.

The High Divide, which is preparing to as one of the comers, is preparing to make near the flat on a line with the main producers and already buildings are being erected and machinery is assembly from Esmeralda county.

The High Divide, which is preognized as one of the comers, is preparing to make the flat on a line with the main producers and already buildings are being erected and machinery is assembly from Esmeralda county, in the way.

The High Divide, which is preognized as one of the comers, is preparing to make the flat on a line with the main producers and already buildings are being erected and machinery is not being erected and machinery in the main producers and already buildings are being erected and machinery in the main producers are being erected and machinery in the

assembly from Esmeralda county, on the way, has taken a contract to remodel Eagle's Nest which was bought lately by Charles Taylor.

M. P. WISWELL, a prominent attorney of Huntington, W. Va., and a party of friends interested in the Rosalind Divide Mining company, are expected here Monday to inspect the holdings of the company.

LOVELOCK MEN ENTHUSE Macfarlane Divide Owns Four Claims

Among the recent incorporations with mine holdings in the Divide district is the Macfarlane Divide Mines cisco Susiness man, who is now per company, owner of the Lexington group of four claims located in the vicinity of the Ben Hur property, farlane Divide Mines company and is now permanently located in Tonopah, is secvicinity of the Ben Hur property, farlane Divide Mines company and is recognized as one of Divide's mines in charge of the company's stock in the making. The Lexington group seding campaign. The incorporating has been examined and favorably of the Manfarlane Divide was handled passed upon by Rolla E. Clapp, a through the law office of Milion M. mining engineer who is familiar by years of experience with the ore occurrences of the southern Nevada. The company's holdings are trav-
